LIVE the MOVIE

SERVING HAPPINESS!

As a flagship venture of the USD 5 Bn Cineflix Group, Cineflix Leisure Limited has always worked upon enhancing the experiences, right from creating a world-class infrastructure which is high on comfort and aesthetics, to staying updated with the latest in the cinema technology space. Ever since commencing operations in year 2002, Cineflix has already entertained more than 700 Mn guests in its glorious journey. With 746 perfectly appointed screens in 173 multiplexes across the country, Cineflix continues to get closer to the Indian cinema lovers, and also remain on a growth path which is envied across the globe.

Cineflix has pioneered plenty of 'firsts' in the Indian cinema exhibition industry. Cineflix operates Megaplex at the Inorbit Mall Malad, Mumbai, a multiplex with highest number of cinema viewing experiences in the world, which is also home to India's first ScreenX as well as India's first screen with MX4D® Theater Effects. Cineflix was the 1st cinema chain in the country to operate a Laserplex, a multiplex with all the screens enabled with Laser Projection. With the grand & impressive IMAX screens already a part of its repertoire, Cineflix also has to its credit, Mumbai's first Samsung QNIX LED screen.
